RE: Critical Infrastructure Vaccinate Hub - Vaccinations Available to Industry Essential Workers

DATE: Week of April 19

******Please distribute to employees and contractors who wish to be vaccinated******

In response to requests from industry representatives, the Texas Chemical Council and the East Harris County Manufacturers Association have collaborated with the Houston Area Safety Council (HASC) and Texas Department of State Health Services to host a “**Critical Infrastructure Vaccination Hub.**” **COVID-19 vaccinations will be available to industry employees and contractors the week of April 19th - Monday through Friday, 8:00 a.m. to 5:00 p.m. at the HASC - Skills Development Building, 5213 Center Street, Pasadena, TX 77505**

Registration and Process

Those needing a vaccine can scan the QR Code on this page or go to www.hasc.com/covidvaccine to register and select an appointment date and time to receive their vaccine and complete the online questionnaire. A reservation number will be sent through an emailed confirmation page. Individuals should arrive at least 15 minutes prior to their scheduled appointment time with the printed confirmation page.

For companies seeking onsite vaccination support, HASC has limited capability to provide on-site vaccination centers by request via HASC’s fleet of mobile medical units or utilizing existing spaces on job sites. Should you have any questions, please use the below contact information:
